

Thermo Scientific Cassettes – Accessories for Processing and Embedding

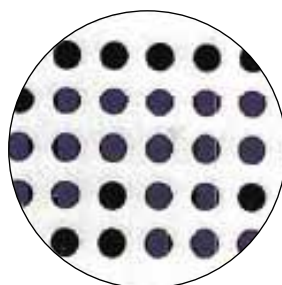

Formerly known as Raymond A Lamb – now integrated in Thermo Scientific's product portfolio

These Processing, Biopsy and Slotted Cassettes have been designed to provide the best performance and reliability when used in Thermo Scientific PrintMate and Thermo Scientific MicroWriter. These high quality cassettes are available in White, Blue, Pink, Green, Orange, Yellow, Grey, Lilac and Tan and can be supplied either loose in bags of 1000 or pre-packed in plastic hoppers (75 cassettes per tube) for use with Thermo Scientific PrintMate and Thermo Scientific MicroWriter. White plastic disposable lids are available to suit all three types of cassette.
